

Profile Summary

Aspiring Product Manager with hands-on experience in **market research and go-to-market strategy**, skilled in **market segmentation, competitive analysis, and TAM/SAM sizing**. Focused on translating consumer insights into data-driven strategy while championing user needs through **rigorous, structured problem-solving**. Committed to building exceptional teams through **collaborative, ground-up leadership** driven by a deep passion for **technology and consumer behaviour**.

Skills and Competencies

Product Analysis | Market Research | Go-to-Market Strategy | Competitive Analysis | TAM/SAM Sizing | Consumer Insights | Data Analysis (Python, Pandas, NumPy, SQL) | Data-Driven Decision Making | Cross-functional Leadership | Stakeholder Management | Team Management | Design Thinking | GenAI | Agentic Workflows | UI/UX | Prototype Design

Experience

Market Research Analyst

May 2025 - Jul 2025

Finlatics

- Segmented **health & wellness (FMCG)** and **tech markets** to help a company aimed at **urban** and **digital consumers**.
- Conducted rigorous market tests using **engagement, redemption, and NPS** to validate product **fit** and **guide rollout**.
- Evaluated **competitive landscape, quantified TAM/SAM metrics**, and recommended data-driven **go-to-market strategies** for digital platforms and nutraceutical products.
- Delivered consumer insights and growth recommendations supporting **KPIs, moats, and investor pitches** for B2C products.

Key Projects

Design-Led Market Expansion Strategy for Buknu Masala, ODOP, Kanpur Dehat

Jan 2026 - Apr 2026

Management of Design & Innovation, IIT Kanpur

- Analyzed **Buknu Masala's value chain**, identifying gaps in **branding, packaging, standardization, and market access**.
- Designed a **growth strategy** featuring **brand identity, retail-ready packaging, and product standardization**.
- Developed a **dual-channel expansion model** targeting **retail consumers** and **B2B food manufacturers**.
- Applied design thinking to align **SHG-led production** with **ODOP goals** and **scalable market opportunities**.

You Only Look Once

Mar 2023 - Jul 2023

Stamatics, Department of Mathematics, IIT Kanpur

- Explored **Convolutional Neural Networks (CNNs)** in deep learning, with a deep dive into the linear algebra.
- Covered the fundamentals of **CNNs**, delving into their **real-world applications** to demonstrate their practical significance.
- Developed an in-depth understanding of the **YOLO algorithm** and analysed its architecture and inner workings.
- Implemented **YOLO** for **real-time digit detection**, gaining hands-on experience with **deep learning models**.

Positions of Responsibility

Senior Executive, Show Management

Jan 2024 - Apr 2024

Techkriti'24, IIT Kanpur

- Led a team of **50 junior executives** and **100 volunteers** to execute large-scale events during **Techkriti'24**, IIT Kanpur.
- Managed end-to-end **show operations**, coordinating speaker sessions, logistics, scheduling, and attendee experience.
- Managed hospitality, accommodation and transportation workflows, ensuring smooth execution for guests and speakers.

Senior Executive, Events

Sep 2023 - Oct 2023

Udghosh'23, IIT Kanpur

- Led crowd operations for **Udghosh'23**, managing **500–1,000 attendees** ensuring smooth execution throughout the 3-day event.
- Spearheaded social initiatives with a **30+ member team**, engaging **4,000+ students** across different community events.
- Coordinated teams across **20+ colleges** and **450+ schools**, ensuring smooth execution of **large-scale sports events**.

Education

Indian Institute of Technology Kanpur, India

Oct 2022 - Jul 2026

Bachelor of Technology - Mechanical Engineering

Scholastic Achievement

- Awarded the prestigious **NTSE Scholarship by NCERT**, securing selection **among 1M+ students nationwide**.2019
- Received **Letter of Recommendation** for outstanding performance as **Market Research Analyst** in Finlatics2025

Extra-Curricular Activities

- Participated in shot put and discus throw in the **Inter IIT Sports Meet '23**, held at IIT Gandhinagar, showcasing athletic skills
- Secured **first position** in the **Athletics Triad Tournament**, organised by Games and Sports Council, IIT Kanpur
